Mr. Prospective Home Owner

If you are in the market for a choice lot for a homesite. read over the list below and see if you find something that suits you. All the properties here listed are well located and the prices are under the market, and if you want to build in the choice residence part of the city, you will do well to look at these places before purchasing

At 1501 Monroe St. I ofter a 75x140 lot on the corner, on the street car line and in a choice anighborhood. This lot can be purchased for only \$5000 00 and if terms make any difference can arrange them to sust you

At 1501 Monroe St., (adjoining above for on the South) I offer 75x140 for only \$825.00; and the same statement stands as to terms.

At 1900 Harrison I, have 150x150, northeast corner-Harrison, as you know, is one, of the very best residence streets in the city. This corner is especially well soited for someone wanting to put up a good size house and who will want plenty of room. Price only \$2250.00.

The above tract will be out into two seventy live lost lots if desired, the inside lot at 1125 00 and the corner at \$1250,00 Any reasonable terms

At 1804 Taylor St. I offer an east from 50-foot lot for only \$850.00. Cement walks are in front of the property and it is convenient to the Polk St. as line and water gas, sewer and electric connections can be had.

If you want to build right away you can buy this lot with out any cash and the whole purchase price will be taken in

These are only a few of the properties I have for sale and if you are in the market and will call and see me I feel confident of my ability to please you. I also have a choice list of improved places for sale. In all cases an abstract showing good title will be furnished and a general warranty
